Parents, as this is a joint undertaking between you, your child and the theatre, it is very important that both you and your child are familiar with the Rehearsal Procedures document available from the director prior to your child's audition. If you have any questions about what will be required or the time commitment, please be sure to ask the director prior to allowing your child to audition.

By signing this form I agree to let me child participate in this Destination Theatre Company production if they are cast and agree to the terms presented in this document. I am fully aware of the time commitment for both my child and myself and have read the Rehearsal Procedures document in its entirety. All forms have been filled out as completely and truthfully as possible.
